ReactRally!

August 24-25, 2015
Salt Lake City, UT

React Rally is a two-day technical conference focused on the React.js framework and topics related to it.

Sponsorship at React Rally is a little different. While we offer booths and logos on slides and banners, we are also curating some unique experiences that sponsors can brand to build goodwill and get access to attendees when they are ridiculously happy and entertained. We believe these experiences are a great way to make people feel like the sponsor cares about them and wants them to have a good time.

These experiences are available to our Platinum and Premier-level sponsors. They include:

- A Relax.js lounge to host the hallway track. The venue offers a cozy downstairs room that we will deck out with tables, chairs, power, and chill hacking music where attendees and speakers can hang out before the event, and during the event. The tables and chairs will have your logo on them, and banners with directions to the lounge and in the lounge itself will have your name and logo prominently displayed on them. Think "Relax.js Lounge, hosted by [Your Company]".

- A branded caricature artist station. The station will have your logo on it, and the artist will create sketches of attendees matching the theme of the conference (aliens and monsters)

- Breakfast for attendees when they show up at the conference. We set up a branded table with delicious local food on it (vegetarian options included), and prominent "Sponsored by [Your Company]" banners.

- An interactive game broadcast on the main screen between some talks. Attendees can join to control tanks, and fight against an AI tank that is branded with your company logo. This is a great opportunity to do some giveaways. Winner of the battle at this time gets some prize from your company.

Sponsor levels

Silver sponsor:	$2500	(15 available)
Gold sponsor:	$5000	(10 available)
Platinum sponsor:	$7500	(5 available)
Premier sponsor:	$15,000	(1 available)
